Dear Parents/Caregivers/Whanau 22 May – Rātu rua tekau ma rua o Haratua 2018

## ***Tena koutou katoa – Greetings to all families and friends of Hunterville School.***

*We have been getting back into regular class routines this last week, with most children – and teachers! – settling to busy teaching and learning sessions. Most are enjoying getting into some winter sport trainings and games, rock band and music lessons are restarting, and the pie warmer service is all go again.*

*Thanks to the generous offer from Lauren Hughes, who is keen to run it each morning, the breakfast club is up and going again, with hot milo for the winter terms, (courtesy of the Marton Christian Welfare), Weetbix, (thanks to Sanitarium) and cold milk, (supplied free by Fonterra). If any other parents/whanau are keen to be part of this programme, please let us know – you are most welcome!*

### **Young Leaders' Conference – Palmerston North**

*Yesterday, Mrs Bremner and Mr Richard Gower took our year eight students to this conference at the Arena in Palmerston North. They heard a team of very motivating/inspiring speakers and they will have lots to think about regarding real leadership values.*

### **Rippa Rugby Tournament**

*Pictured right are our year five and six Rippa Rugby teams who played in Marton today. We are very grateful for the coaching time and expertise put in by Ray McDougall and Richard Goodwin. The teams will have further games in Wanganui on 5 June, the day after Queen's Birthday.*

### **Student Representatives to attend Board Meeting tomorrow...**

*On Wednesday evening, students from room eight are going to be presenting some project ideas to the BOT, which they have been working on in small groups. They each have a different idea to improve and develop some areas around our school. They have prepared short slide shows, and are asking for support or approval to start planning and fundraising for these projects. The students have also asked for their projects to be signalled to the Home and School Association, who may be able to offer funding support for one or more of them.*

### **Rock Band Gig**

*Tomorrow our rock band is heading off to Awapuni School to play, along with other bands taught by Richard Munt in Marton. Then on the 13<sup>th</sup> of June, the band will be playing at South Makirikiri School.*

### **Robotics**

*Our keen robotics kids have set up their area in the back half of the band room and it is all go again. The first session is this afternoon from 3.30 to 5pm and then each Tuesday at those times. Thank you very much to Mr Grant Collie for organising and coaching – it is great to have this technology learning available here.*

***Kapa Haka*** – negotiations are underway with Ash Patea and hopefully Kapa Haka will start next Tuesday after morning tea. All past Kapa Haka members very welcome plus anyone else who wishes to join (with parent permission).

### **Junior Area Building Project Update:**

*The building crew have been just a great, helpful, very safety conscious team and have made excellent progress with the new breakout areas by each junior classroom almost completed, with just wall coverings and flooring to be fitted. The new junior toilet block is also well underway, and hopefully the project will be complete by the end of the next holidays. I appreciate the great tolerance and patience shown by the teachers and children in the three junior rooms – thank you for just getting on with the business as you have!*

### **Value of the Week:**

***He aroha whakatō, he aroha puta mai***

***If kindness is sown, then kindness you shall receive.***

Do we treat people we play sport or games with decently? Do we give all kids a fair go? Do we make an effort to include others? Do we speak kindly? Do we just walk away when we are angry? Do we stand up for others who are being picked on?

#### **Home & School News**

A friendly reminder we have a meeting tonight at 7.30pm in the staffroom.

I would like to thank Catherine Arnott for her awesome organisation and cooking last Sunday, who, along with Frances and Lauren and myself catered at the Hunterville Bowling Club lunch. This was another chance for us to raise some funds for all our school kids.

**We were very fortunate to be able to hire the lead masks for the giraffes, zebras and lions! They came from Lindisfarne College in Hastings, and were beautifully complemented by the masks made by Nicky and her props support team!**

**Next Community Newsletter:** All items need to be in to the office by tomorrow, please. We hope to publish and deliver soon after that!

**Lost Property:** Once again, the lost property mountain by the medical room has become a volcano and the top has fallen off! We can't believe children can go home so often without the clothes they came to school in- shorts, trackpants, socks, shoes, polar fleeces, thermals, and even occasionally, polo shirts! Also, lots of gear has no names on it. We try to return named gear each day, but it's a losing battle! Property from last term that has not been claimed will be put into the second hand clothing store, after it has been laundered.

*Just a reminder that if there are any worries or questions, please see the class teacher initially for a discussion before or after school, or call the office to make a time to come in to see them.*

*If you need further follow-up, I am usually around - though I do have to be in lots of meetings, etc! So if I'm not available, please, you are most welcome to ring or ask Jacquie to make an appointment to come in and talk.*

*Kindest regards, Colleen Dalley Principal*

It's officially...

**Yummy Apple Sticker** time!

Yummy apples are available from New World, Pak'n Save & Four Squares. The more you collect, the more sports gear we get, so get going and start collecting your Yummy Stickers & bag cut-out labels now!

Extra collection sheets will be available at the office. - Sam Cherrie
