ABSENCES

Please phone the school office or send a message via another family member if your child is going to be absent from school. As a safety check we attempt to make contact for any pupils we have not had notification about. It is for this reason that parents are urged to let us know whenever a child is absent from school. We thank you for your support in helping keep your children safe.

Regards

Stephen Lewis

HEADLICE

These little nasties have surfaced at school already. We ask that all parents check their children's hair regularly and treat when necessary. Please do not send your child to school with infected hair until the lice have been treated.

The school office has supplies to help deal with these. Please call in and speak to Mrs Harding.
