## Huntermville Pride... "Together We Strive"

\* Quality Learning \* Quality Behaviour \* Quality Environment \*

Dear Parent / Caregiver

Nga mihi o te wa kia koe me to whanau (Greetings to you and your family)

Our thoughts remain firmly with school families and community members adversely affected by the weekend's floodwaters. We hope that you can make the best out of your respective bad situations and that damages can be repaired with a minimum of cost and hardship.

### Huntermville Water Apparently Needs Boiling...

In a repeat of a notice we issued yesterday, we advise the following notice from the Rangitikei District Council came to our attention yesterday:

**Huntermville Residents are Asked to Boil Water**  
Due to water quality issues in Huntermville, residents are asked to boil all domestic water until further notice.

At the bottom of the above notice on the RDC website, is a link to a "Boil Water Advisory Fact Sheet" which is inserted into this newsletter. (This was also issued yesterday.)

We will keep you informed of any update on the water quality issue.
