Huntermville Pride... "Together We Strive"

*** Quality Learning * Quality Behaviour * Quality Environment ***

Dear Parent / Caregiver

Nga mihi o te wa kia koe me to whanau (Greetings to you and your family)

There is a bit more like the spring weather we've been looking forward to for a while! Bring on the better weather!

Community Consultation Meetings – Have Your Say!

In the past we would gather information from a comprehensive written survey every four years. This is an attempt at something new – we're looking for feedback that will guide the future direction of the school and help ensure we're being responsive to the needs of our parents and community...
