Huntermville Pride... "Together We Strive"

*** Quality Learning * Quality Behaviour * Quality Environment ***

Dear Parent / Caregiver

Nga mihi o te wa kia koe me to whanau (Greetings to you and your family)

Our teaching staff attended the Cluster Schools' Community of Learning (CoL) teacher only day on Friday in Bulls. In attendance were teachers and principals from all cluster school as well as the Yr 9 & 10 maths staff from Rangitikei College.

Teachers had the chance to discuss their maths programmes with other teachers teaching their age group and that was followed by three cross level workshops where those in attendance could select three workshops from the nine on offer.

Some really worthwhile learnings came out of the day!

Advance Notice

End of T2 Reporting to Parents

1. Mini report: Issued Friday 30 June. Simply a brief 'state of the nation' covering off reading, writing & maths. May stimulate discussion for conferences.
2. Learning Conferences: 15 minutes per student allocated with teacher, student & parent. Parents will be invited to make an appointment for either Tues 4 July 3.30-5pm or Wed 5th 1-8pm.

Note: school finishes at 12 midday on the 5th.

Move on of Students at Mid Year

Soon, teachers will be identifying a handful of students from each of Rooms 1, 2 & 3 to move up a class from the start of next term.

This is part of the move on of junior students that takes place every year.

We have an expected total of ten new 5 year olds to begin between now and early term four and (as usual) we need to create space for them.

First Robotics Scrimmage of the Year

Mr Collie and our robotics teams head off to Feilding on Saturday for their first scrimmage of the year. Parents, student involved were given a notice about this yesterday.

DISCO A SUCCESS

Last Thursday's disco, organised by the student council, was a success. Together with the mufti day funds it enabled the council to make the following donations:

1. Shave for Cure (Leukemia) \$250.00 (via former student Rebecca Hurley who shaved her head for this cause)
2. Rescue Helicopter Trust \$250.00.

The Home & School Association also made a significant profit at the disco from their food (sweets) and drinks stall.

CHECK OUT SOME GREAT DISCO PHOTOS ON THE SCHOOL FACEBOOK PAGE.

PARENT INFO SESSIONS: MATHS!

We surveyed parents regarding what topic (out of reading, writing & maths) you would most like us to provide sessions on – and maths came out on top. We also asked about the best time for this and 9am/2.30pm came out on top.....

MATHS INFORMATION SESSION FOR PARENTS

Come along to hear how maths is taught at school and to have an informal discussion with our experts.

COMMUNITY NEWSLETTER

The most recent community newsletter is still being printed as we speak (over 600 booklets take twelve hours of photocopying). It was distributed around town yesterday and the rural delivery agents should have their copy this afternoon to distribute.

Mrs Hatfull on Leave 1st Month of Next term

Mrs Hatfull is taking leave for the first month of next term. Miss Viles will be teaching Room 2 in her absence.

Miss Viles already teaches Room 2 each afternoon (while Mrs Hatfull takes Reading Recovery) and will be back teaching Room 2 full time next year.

TIME FOR A SPRUCE UP re UNIFORM / DRESS STANDARDS

I've been speaking (nicely) to a handful of students and parents recently regarding the above.

We have a set of rules around the above which can be found in the School Information Booklet issued to all families at the start of each year & to new families upon enrolment. The cover has a photo of our head boy & head girl.

You can also reference the Information Booklet through the school app and on the school website.

We're keen to maintain our standards, and most certainly believe in a 'look smart, work smart' ethic and taking pride in our appearance, etc.

Some of the uniform/dress code items ***include*** (but are not limited to!):

- Trackpants & shorts are required to be plain black unmonogrammed clothing.
- Black thermal tops of any length are permitted to be visible under uniform top. (i.e. no coloured undergarments to be showing please).
- Variation in depths of cut/shaved hair is not permitted.
- Hair accessories (e.g. ties) should be school uniform shades – burgundy or black.

Parents if you can help us out with your support and reinforcement of our uniform/dress code, including the above, it would be much appreciated.

As I often say, "we don't really want to be the uniform Gestapo", but we do wish to preserve our dress / uniform code and to keep our standards up.
