- Those who have ordered DVD's have had them issued to students today to take home.
- Another 10 only are available for immediate delivery. First in first served.
- Whilst the quality of the DVDs is the best we've had for a school production, there has been a drop in quality from the digital form we first saw. For an even SHARPER picture quality, if you provide us with your thumb drive we will download a copy of the production for you in digital form.

TOUGH KIDS COMPETITION THIS FRIDAY

A team of 90 Y3-8 students, three teachers and a team of parents will be out to defend our 'tough kids' title from an expected contingent of 25-30 schools from around the region.

The tough kids event is a mixture of cross country, 'mud buster' and obstacle courses that really does sort out the toughest kids! And of course the adult race is a highlight too!
(First race 10.45am - Y3/4boys then girls, Y5/6, Y 7/8 then team races)

To get that many students mobilised we are asking for parent help again...

- All meeting in hall 9.15; return to school approx. 2.15
