HUNTERVILLE PRIDE... "Together We Strive"

Quality Learning*Quality Behaviour*Quality Environment

SCHOOL INFORMATION BOOKLET 2014

INTRODUCTION

Dear Parents
Kia Ora!

This booklet is designed to present general information about the school and how it works, and is issued to each family with pupils at our school at the start of each year as well as to new enrolments during the year.

The information booklet is an attempt by the school to keep you up to date with our policies, procedures and routines and is updated for publication at the start of each school year.

We believe that close co-operation between home and school is vital for effective and enjoyable learning and we see this publication as helping to foster that partnership.

Regards

Stephen Lewis
PRINCIPAL
4 February 2014

BRIEF HISTORY OF HUNTERVILLE CONSOLIDATED SCHOOL

Hunterville Consolidated School opened on 28th September 1887 with a roll of 40 pupils. A secondary department was established at the school in 1912 and this operated until 1929.

The word "Consolidated" in the school's name refers to the amalgamation of six smaller schools namely Silverhope (Paraekaretu) 1937; Rata 1937; Putorino 1939; Mangaonoho 1939; Poukiore 1941; and Rata-iti in 1952. In more recent years neighbouring Ohingaiti, Otairi, and Rangiwahia schools have closed.

The school's roll peaked in December 1958 at 416 pupils and the school hall was opened in 1960.

The December roll for the past ten to fifteen years has settled between 160 - 210 pupils, with approximately half of these pupils coming to school by bus. We start this year with a roll of 167 and expect to be around 190 by the end of the year.

PERSONNEL

TEACHING STAFF:

Mr Stephen Lewis	Principal			Tel. 322 8778
Mrs Colleen Dalley	Deputy Principal	Yr 8	R8	Tel. 327 7526
Mrs Anne Hatfull	Assistant Principal	Yr 0/1	R1	Tel. 322 8568
Mrs Brenda Stewart	Teacher full time	Yr 1/2	R1A from mid term 2	
Mrs Carol Sinclair	Teacher full time	Yr 1/2	R2	
Miss Jessica Leary	Teacher full time	Yr 2/3	R3	
Mr George Jeffrey	Teacher full time	Yr 3/4	R4	
Mrs Gaylene Fitz-Herbert	Teacher full time	Yr 5/6	R6	
Mr Shane Smith	Teacher full time	Yr 6/7	R7	
Mrs Di Stewart	Teacher part time	Rear R8	Small gp tuition, Mon–Thur am	
Mrs Janet Parkes	Teacher part time	R8	Fridays for DP release	
Mrs Janet Parkes	Teacher part time	R1	Rdg Recovery release, afternoons	

ANCILLARY:

Mrs Jacquie Harding	Office Manager	Mrs Christina Wilson	Office Assistant
Mrs Judith Rush	Teachers' Aide	Mrs Sue Lewis	Teachers' Aide
Ms Shanie Mackie	Teachers' Aide	Mrs Kim Petersen	Teachers' Aide
Mr Harry Matson	Caretaker	Mrs Liz Houltham	Cleaner
		Mrs Wendy Harvey	Cleaner

DENTAL THERAPIST:

(Our Mobile Unit) 06 3228791

BOARD OF TRUSTEES:

Mr Chris Price	Chairman
Mr James Kilmister	Parent Representative
Mr Justin Vennell	Parent Representative
Mr Richie Nimmo	Parent Representative
Mrs Jodi Munn	Parent Representative
Mrs Colleen Dalley	Staff representative
Mr Stephen Lewis	Principal

HOME AND SCHOOL ASSOCIATION

Mrs Dale Turner (President)
Mrs Rachel Williams (Secretary)
Mrs Jo Lambert (Treasurer)

The Home and School Assn has its AGM in March / April

WHAT DOES HUNTERVILLE SCHOOL STAND FOR?

The Board of Trustees consults comprehensively with parents every four years to ensure the school delivers to its students the type of education parents' desire. The last such consultation was in 2013

Out of such consultation has emerged the following five **Quality Statements**, as well as the statements below them. They are very much living, meaningful statements which guide all our strategic thinking:

- 1. QUALITY LEARNING:** We will provide a quality, holistic education with a focus on developing high levels of competency in reading, writing and mathematics, and promoting sport as an integral part of that rounded education.
- 2. QUALITY PARTNERSHIPS:** We will actively encourage a strong sense of partnership between school, home, and the wider community. We will develop Maori culture within our school, alongside other cultures throughout society
- 3. QUALITY LEARNING ENVIRONMENT:** We will provide a positive, secure and supportive environment where growth and learning can be achieved by all.
- 4. QUALITY PHYSICAL ENVIRONMENT:** We will create a physical environment that is attractive and becoming more sustainable
- 5. QUALITY LIFE CAPABILITIES:** We will endeavour to teach the capabilities that people have, and need to develop, to live today and in the future

Our School Motto:

“Huntermville Pride ... Together we Strive”

Along with the above comes our ‘quality’ statement:

“Quality Learning, Quality Behaviour, Quality Environment”

And Our Golden Rule...

“Treat others the way you’d like to be treated”

ABSENCES

Please phone the school office or send a note with another family member if your child is going to be absent on any day. *We are now required to record a REASON for any student absence as part of our move to a computerised "Electronic Attendance Register"* where absences are recorded as either justified or unjustified with a number of set reasons teachers are required to select from.

As a safety check we check absences first thing in the morning and attempt to phone home if any pupils are absent that we hadn't had notification about.

It is for this reason that parents are urged to let us know whenever a child is absent from school. We thank you for your support in helping keep your children safe.

ACCIDENTS AND SICKNESS

Parents will be contacted if in the staff member's opinion a student is in discomfort or needs medical treatment. If parents or emergency contact person cannot be contacted the student will remain at school until contact can be made or taken directly to the doctor's surgery in Marton if serious.

Staff are not permitted to administer drugs or medicines to pupils without prior written permission from parents.

We ask for parents' co-operation in not sending already unwell children to school.

ALL WEATHER COURTS COMPLEX

This community funded facility is a huge asset to our school, and we have the free use of it during school hours.

Common sense rules govern its use both in and outside of school time. These include:

- No food on the courts
- No bikes, scooters, skates, etc on the courts
- No sprigged footwear on courts
- No swinging on tennis nets please
- No muddy footwear on courts please

ASSEMBLIES

Our 'normal' weekly assemblies are held each Thursday from 2.15pm. (Fridays 9am during the swimming season). Assemblies include notices, singing, awards/certificates for each class, and Taha Maori. Parents and visitors are very welcome to attend – in fact we love to see you there!

BELL TIMES

Students may not enter the school grounds or buildings before 8.30am and should leave the grounds as soon as possible after 3.00pm.

Morning school starts	9.00am
Morning tea break	10.40am - 11.10am
Lunch time break begins	12.40pm
Afternoon school starts	1.25pm
Reflection/notices/tidy up, etc.	2.50pm
School finishes	3.00pm (no bell – one has just gone at 2.50)

BIBLE IN SCHOOLS PROGRAMME

Bible in Schools is taken on Friday mornings from 9 - 9.30am, usually beginning in early March. The programme is a non-denominational one approved by the Ministry of Education and is co-ordinated by Mrs Judith Rush.

School is officially closed while the Bible in Schools lessons are being taken and parents have the right to withdraw their child from the programme if they so desire. Please contact your class teacher in such instances.

BOARD OF TRUSTEES

The Board of Trustees is responsible for the governance of the school. Our Board is made up of five parent representatives, a staff representative, and the Principal. The Board meets twice each term in the staffroom. All parents and caregivers are notified of meeting dates through the school newsletter.

A public copy of Board meeting minutes is available at the school office for any parent or caregiver to read.

A list of Board of Trustees members is on the inside cover of this publication.

BOT elections are held every three years. The next such elections are due in 2016.

BUSES

More than half of our students travel to school by bus. To be eligible for travel on a school bus a student must live more than 3.2km from their nearest school. Students not meeting these criteria, technically travel on a school bus by private arrangement with the bus contractor.

Students that meet the above criteria may be eligible for a government funded bus allowance if they have to travel to meet the bus.

Please feel free to contact the principal for further clarification on any bus matters.

Five Ministry of Education buses bring children to Hunterville School – Leedstown, Putorino, Poukiore, Mangahoe, and Otairi. All buses leave for the afternoon at approximately 3.15pm.

There is also the privately funded Ohingaiti bus which meets up with the Poukiore bus near the golf course.

Parents are asked to contact or get a message to drivers (even via a student at a pick up before yours) when children are off the bus in the morning, or to contact the school for changes to the afternoon arrangements. If parents turn up unexpectedly to collect children they are asked to inform the bus monitor or duty teacher that the child is off the bus.

General rule: If the school has not heard from parents the child will travel home the usual way.

Bus Rules / Procedures:

Please refer to the rules and procedures for use of school buses at the rear of this booklet

COMPLAINTS

From time to time parents may have full justification in making some form of complaint. Our school policy states that in the first instance the complaint should be dealt with at the lowest level – which usually means the person the complaint is directed at. If there is no resolution it goes onto the Principal, and thereafter to the Board of Trustees, as a final measure.

CELL PHONES / INTERNET CAPABLE DEVICES

Cell phones at school with students are not permitted, nor are unauthorised internet capable devices. In extenuating circumstances and with parent permission, when a student does bring a cell phone to school the phone is required to be handed in to the school office upon arrival at school, to be collected at 3pm.

In the past some students have been using cell phones entirely inappropriately on the way to and from school, and at school. We seriously advise parents to check just what messages students are sending and receiving on their phones – after all we are talking about primary school age children and it would be a safe and responsible practice for parents to check their children's phone regularly.

School policy states that cell phones found at school will be confiscated...

1st instance: phone confiscated until a parent uplifts from the office

2nd instance: phone confiscated for seven days after which time a parent may uplift

3rd instance: phone confiscated until the end of the term at which time a parent may uplift

CHEWING GUM AND SWEETS

The above are not permitted at school.

COMPUTER CLUB

A Computer Club was set up in 2011 with the intent of providing an ongoing source of funds to enhance and maintain computers and computer related items for students. To date over \$13,000 has been raised and spent on laptops for students. The idea of the Computer Club is to encourage those who wish, to set up a small but regular automatic payment into the Computer Club account. Please contact the office if you'd like further information.

COMPUTERS

Pupils may only access the internet/e-mail with teacher permission and under adult supervision. All students, as well as all staff sign a computer safety contract each year which governs the use of the internet at school.

The BOT has it as one of their current focuses to increase the number of computers in the school, and is committed to keeping the school at the forefront of ICT practices and resourcing. Since mid 2013 thirty-five ipads have been put into classrooms right across the school. We are aiming towards all students in our senior two classrooms having 1:1 access to computers/ipads. A major network upgrade in 2010 has our internal network at the cutting edge and recent installation of the super fast fibre optic cable will be of significant benefit to us in the future.

COMPUTERS / IPADS BYOD (Bring Your Own Device)

BYOD works on the basis of parents/students needing to 'apply' to be able to bring devices from home to school. Once the device is at school it is used strictly under the direction/instruction of the teacher but may only be used by the owner. BYOD is currently limited to the following devices:

- Ipad or ipad minis are the strong preference
- Apple laptops or PC laptops no more than two years old
- SPECIFICALLY NOT android tablets, or netbooks (the 'little laptops')
- If unsure or for advice please contact ICT lead teacher Mrs Dalley

At the moment (2014), we are working *towards* having a ratio of one device per student in Room 7 and Room 8.

DENTAL CLINIC

The service has now changed to a mobile dental unit and dental therapist Mrs Vicki Mrs Rowe works out of “The Rangitikei Roadrunner” when it is parked in Hunterville.

Children can be enrolled from the age of two. Once enrolled at the clinic, treatment occurs regularly. The clinic phone number (mobile unit) is 06 3228791. Or you can ring 0800 825 583 (0800 Talk Teeth)

Mrs Rowe and the mobile unit is due in Hunterville for parts of term one and three this year. For treatment at other times please ring mobile unit on the above number or the Marton Dental Clinic on 06 3276016

DISCIPLINE

The few rules that are enforced at school are those relating to our position of being in loco-parentis (i.e. the need for pupil safety and welfare while under our jurisdiction). Students generally appreciate the reasons why there are certain rules enforced and are encouraged to use common sense and have respect for people and their property.

We have high expectations of student’s behaviour, including insisting on good manners and treating others the way we’d like to be treated.

A supervised lunchtime detention system operates as needed (we call it Room 28!) and a record is kept of children referred to Room 28 and the reason why.

Parents are notified of all ‘Room 28’ incidents through a form letter requiring parent signing and returning to school. We also undertake to phone parents when Room 28 notices are issued. When persistent or serious instances of unacceptable behaviour occur, stand downs, suspensions and exclusions have been and will be, used as a last resort.

DRESS CODE

- All boys’ and girls’ long hair is required to be tied back
- Variations in depth of cut/shaved hair is not permitted, nor are ‘Rats tails’ etc
- Extravagant hair styles or excessive hair product are not permitted
- No unnatural hair colouring; colour to be close to child’s natural colour
- No visible tattoos or body piercing
- Make up, nail polish, nail extensions and jewellery (with the exception of a maximum one small stud or sleeper in each ear) are not permitted
- Summer headwear is sunhats only which are to be worn outdoors during summer. Woollen hats may be worn outdoors and during the two winter terms only. (Note: all hats must be official school uniform items).
- ... a wide brimmed, monogrammed sunhat has been added to the list of options this year, with a view to making it the only allowable sunhat some time in the future
- Black thermal tops of any length are permitted to be visible under any uniform top
- Black tights/pantyhose (footless, full length acceptable) are permitted to be worn by girls under a skirt
- Hair accessories (e.g. ties) should be of school uniform shades – burgundy or black
- All students are expected to wear correct and tidy school uniform.

The levels of acceptability for enforcing dress and uniform code are at the determination of the principal, deputy principal and assistant principal

(Please refer to the ‘School Uniform’ section for further details, prices, etc.)

ENROLMENTS

Children cannot be officially enrolled before their fifth birthday, although the enrolment forms are able to be completed prior to this.

Six weeks before a child is due to start school an enrolment pack will be sent out. It includes the necessary information about how to enrol your child for school, including an invitation for pre-school visits.

ENQUIRIES AND CONCERNS

If for any reason you have any question, enquiries or concerns please do not hesitate to contact the school. Concerns directly relating to pupil progress initially should be discussed with the teacher. Following this, or for any other reason, please arrange through the school for an appointment to see the Principal. Most enquiries can be answered through the school office at 322 8210.

Our aim is to assist where and when possible and to be welcoming and receptive to parents' concerns. Often personal contact can clear up misconceptions and misunderstandings, which if left unattended may cause unnecessary anxiety.

FUNDRAISING

Government grants pay for some things in a school: Staff salaries, the power bill, heating, text books, building maintenance, cleaning supplies, telephone charges, etc.

Extras, such as additional books for the library, computers and associated costs, camps or sports gear need to be funded by the school.

To assist with this funding, various activities throughout the year are held to raise money such as selling chocolates, pizzas, Home & School fundraisers etc. Please support these ventures. They do not necessarily need to involve spending of money but can require an outlay of time and/or energy.

HEAD-LICE

Outbreaks of head-lice periodically occur as in all schools. Standard procedure is to notify the school when infection occurs and administer medication immediately. We then send a pamphlet home with each child in the class concerned.

There is no stigma with the problem of head lice. In the words of our public Health Nurse, "No one has ever been hospitalised due to head lice and it is not a notifiable disease." Anyone can catch head lice from head to head contact, sharing brushes and combs, hats and jerseys or mixing clothes; at home, at school, or in the playground.

Because head lice can be a costly and time consuming exercise to rid children's hair of, we ask parents to please consider other families by treating head lice promptly and by not sending children with infected hair to school until the lice have been treated.

HOMEWORK

Regular homework is expected throughout the school. E.g. Reading for all ages each night. Each teacher will notify parents of their specific homework requirements early in term one.

Whilst **all** students are expected to fulfil homework requirements, family circumstances or other commitments make this impossible on occasions. In such cases a written note from a parent will ensure a student does not suffer a consequence from not doing their homework!

Homework should be no more than 20-30 minutes. If it is an ongoing and results in tears (from children or parents!) then it is of no benefit. If this is the case please speak to your child's teacher and 'things will be sorted.' ☺

HOME AND SCHOOL ASSOCIATION

The school has an active Home and School Association, which meets on a monthly basis. The committee always welcomes new members and anyone keen to join the ranks is made very welcome.

The Home and School Association do a great job for the school - please support them whenever you can. New members are always welcome. In recent years the Home and School have regularly injected around \$20,000 into the school each year.

KAPA HAKA

The school has a developing kapa haka group which meets one afternoon per week. Students opt into kapa haka with parent approval. Kapa haka sessions also include te reo and tikanga as well as song and dance. Our kapa haka tutor is Mr Ashley Patea from Wanganui.

LIBRARY

The school library is our most valuable non-human resource. We encourage its extensive use and urge children to read and research as widely as possible. Parent help at home is very valuable in developing good reading habits and interests.

The library is available before school and at lunchtimes as well as during class time.

To help our library function effectively senior pupils assist with the issue of books and the presentation of displays.

LOST PROPERTY

Recent lost property (less than a term) is stored at the rear of the hall.

Please name all children's clothing so that it may be returned when misplaced.

Unnamed and unclaimed clothing at the end of each term is stored for a further term and then given to charity if left unclaimed.

LUNCHTIMES

The lunch 'hour' is from 12.40 to 1.25pm

Students eat lunch under teacher supervision, before being released for the remainder of lunchtime.

MANNERS

In recent years we have developed a formal list of expectations regarding manners that we reinforce with students regularly. These include:

- We say please and thank you – always
- Boys make way for girls and students make way for adults. E.g. through a doorway
- We say the word ‘yes’ (ending in an ess!) and ‘no’ (ending in an ‘oh’)
- We walk around people having a conversation; not between them
- We say “Excuse me” pleasantly when wanting to gain someone’s attention
- Etc!

PIE WARMER

The school provides a pie warmer for the heating of pupils' lunches (E.g. pies, toasted sandwiches, etc.) for the use in the two winter terms (T2 & T3).

Pie warmer foods are required to be wrapped in tin foil and clearly named please.

REPORTING TO PARENTS

Full written reports are issued to parents once per year in December, with an abbreviated written report at mid year. Student led learning conferences are held in late term two.

SATURDAY MORNING SPORTS

The Hunterville Saturday Morning Sports Club organises the above and teams operate totally independent of the school. An AGM is usually held in March.

At present rugby, netball and hockey are catered for.

Children’s tennis and cricket operates during summer. The school office will be able to put you onto the correct contacts for each sport.

SCHOOL ACTIVITY FEES

School Activity fees are used to subsidise a number of school costs not covered by ministry grants including sports equipment, special programmes, library books, etc. Fees for 2013 are unchanged since 2005 and are: One child - \$45.00, two children - \$70.00, three or more children - \$75.00. Activity fees are a non compulsory donation to the school.

SCHOOL NEWSLETTERS

A weekly ‘pinkie’ on a Tuesday for parents, taken home by the oldest child at school and a twice termly community newsletter delivered to over 600 households in the school catchment area.

Parents/caregivers are asked to read all newsletters as this is our major communication link with you. Copies of all newsletters also appear on our website www.hunterville.school.nz

SCHOOL TRIPS

School policy states that the levels of consent for school trips are as follows:

- a) Day trips within the Rangitikei: Parents to be informed prior, but consent not necessary.
- b) Day trips further afield or any overnight trips: Parent consent required

The school has set adult to student ratios required for all out of school trips and activities, as well as stringent risk analysis and safety measures which apply to relevant out of school activities

SCIENCE, MUSIC, COOKING & WOODWORK AT COLLEGE

Year 7 & 8 pupils attend classes at Rangitikei College every THURSDAY morning departing school by bus at 10.25am and returning at 12.50pm.

The college charges fees to pupils to cover equipment and materials – \$70 per pupil per year, payable through our school office. All students are required to wear covered shoes for technology classes and are required to wear tidy uniform – no rugby shorts.

Modules provided are cooking, woodwork, **science and music**.

SCOOTERS/SKATEBOARDS/SKATES

Scooters & skateboards, for safety reasons, are not permitted to be used in the school grounds during school hours (i.e. 8.30 – 3.30).

SPECIAL PROGRAMMES

Our school arranges comprehensive ‘special needs’ programmes of both a remedial and extension nature taken by teachers and/or teacher aides and is both school and out-of-school based. Programmes include:

- **Reading Recovery**: Caters for three students at any one time, each receiving a daily one on one 30 minute reading recovery lesson with Mrs Hatfull. This internationally acclaimed programme is designed to dramatically reduce the number of children with literacy problems. It is a second chance programme delivered to the neediest children who are finding the acquisition of reading and writing difficult by the end of their first year at school.
- **Reading, Writing, Maths Boosts** (Teacher): We employ a specialist trained teacher in Mrs Di Stewart to deliver targeted programmes in the above subjects, to small groups of students. Mrs Stewart works Monday to Thursday mornings during term two and three.
- **Reading, Writing, Maths Boosts** (Teacher Aides): The Board of Trustees fund a combined total of over 70 hours per week of teacher aide time. Our very able and dedicated teacher aides devote the vast majority of their time to working with individual students or small groups, both in class and in a withdrawal situation, supporting the 3Rs – reading, writing and ‘arithmetic’ (maths!), under the direction of trained teachers.

The above provisions underline our commitment to the core subjects of reading, writing and maths.

Special Programmes (Continued)

Other special programmes include...

- Music – all classes plus senior extension groups
- Specialist music and science classes for all Y 7/8 students through Rangitikei College
- Selected Yr 4 – 8 students (approximately 30) sit Australian maths and English exams
- Sports Institute (Y 7/8) every second year. (Includes rowing and velodrome cycling)
- Maths extension groups with Principal (8 students each Yr 5-8 daily for 8 weeks term 3)
- Leadership camp for eight whanau leaders and head boy/girl. (Two day trip to Young Leaders Conference)
- Kapa haka: one afternoon per week
- Speech / drama and music: Two private providers offer these subjects (one on site at school) during school hours
- Electives Programme (Yr 5-8): Typically offering 20 hobby / interest choices – an afternoon per week for one month
- Drama Production: Every second year. Involves every student. A massive, high class affair; one of the jewels in the school crown
- Camps each year for all Year 5, 6, 7, and 8 students
- Cluster extension programmes over the past two-three years have covered: sports academy, maths, movie making, writing, drama, digital photography, and gymnastics. Typically these programmes take the ‘cream of the crop’ from all local primary schools as part of a group of 20 students. Hunterville School has had between two and four students selected for each of those programmes

STATIONERY SUPPLIES

Hunterville Bookshop has lists of all classes’ stationery requirements and stocks all items for our students.

SUN SAFETY – WEARING OF SUN HATS

During the heat of summer (Terms 1 & 4) school policy instructs teachers to monitor the wearing of sun hats and to remove pupils to a shaded area if not wearing a sun hat. We urge parents to supply sun block as well, for pupils. Sun hats must be of school uniform type.

WEBSITE: www.hunterville.school.nz

This site has been up and running in its current form since mid 2009 and contains amongst other items all weekly newsletters and the twice per term Community Newsletter.

We also attempt to update the photo gallery regularly and slide shows / imovies of major events can be viewed through the web site – for example the prizegiving slideshow of ‘The Year That Was’

Any parents with an objection to their children being photographed and named (e.g. in school newsletters) on the school website are requested to make the principal aware of this. Currently we have no students identified to us by parents as not wanting to be named / photographed in school newsletters and/or web site.

UNIFORM – Please note price increases from our supplier this year

There is no specific summer or winter combination. Uniform requirements are based around wearing the uniform with pride. **All students require rugby-style shorts for athletics, cross country and PE as necessary.**

A change was made several years ago allowing the rugby style shorts to be used for every day uniform. *The stipulation was made though, that the ‘rugby shorts’ will not be worn on special occasions such as class trips, prizegiving assembly, etc.*

Monogrammed Items	Sizes	Price	Unmonogrammed Items	Sizes	Price
Burgundy Short Sleeved Polo Shirt	4 & 6	\$22.00	Black Drill Short (Long Leg)	5&7	\$14.00
Burgundy Short Sleeved Polo Shirt	8 – 16	\$23.00	Black Drill Short (Long leg)	8-16	\$15.00
Burgundy Long Sleeved Polo Shirt (not big sellers, order as necessary)	6 – 16	\$25.00	Black Drill Short (Long leg)	S-L	\$19.00
Black Polar Fleece Vest (End of stock clearance)	6 -14	\$5.00	Black Rugby/PE Shorts	6 - 16	\$17.00
Burgundy Polar Fleece Top	S-L	\$55.00	Black Track Pant Knit	5 & 7	\$23.00
Burgundy Polar Fleece Top	5 & 7	\$40.00	Black Track Pant Knit	8 – 16	\$26.00
Burgundy Polar Fleece Top	8 – 14	\$45.00	Black Track Pant Taslon	4-14	\$32.00
Burgundy (<i>Unmonogrammed</i>) Long Sleeved Skivvy	5 & 7	\$20.00	Track Pant Taslon Black	S-L	\$37.00
Burgundy (<i>Unmonogrammed</i>) Long Sleeved Skivvy	8 – 16	\$22.00	Black Skirt	4-16	\$35.00
Maroon Bucket Hat 55cm, 57cm, 59cm & 61cm	(4 sizes)	\$11.00	Black Cap – adjustable back strap	All Sizes	\$8.00
Black Monogrammed Beanie	All Sizes	\$13.00	Aussie Hat (wide brimmed monogrammed)	55-61cm	\$18.00

All uniform items as above can be ordered through the school office. Although most sizes of most items are held at school, please allow up to two weeks for delivery of non stocked items.

Footwear Requirements Are Reasonably Flexible But Require:

Black heel strap sandals or

Black ‘school’ shoes or

Track shoes (colour to be predominately black, grey or white). I.e. bright coloured sports shoes and/or laces are not permitted)

Black or white ankle socks

Bare feet are also acceptable

A second hand uniform shop exists where a small supply of pre-owned items are available for purchase.

ZONING (ENROLMENT SCHEME)

Hunterville School operates an enrolment scheme to avoid the possibility of overcrowding and to manage the selection of students from outside the school zone in a fair and transparent manner.

Students living within the home zone have the absolute right to enrol at any time.

Near the end of each year the BOT decides the number of places available for out of zone students for the following year and calls for applications. If there are more applications than places available a ballot is held. This year no ballot was necessary, with all out of zone applications therefore being accepted.

Full details of our Enrolment Scheme are available from the school office or on the school website. People with any queries are encouraged to speak to the principal.

Hunterville School's decision to put in place an enrolment scheme is most definitely not about stopping out of zone students from enrolling; it is about being in control of how many.

The government will not supply us with extra classrooms for increased numbers with so many out of zone students enrolled, so we need to be careful we don't grow our numbers bigger than we can cater for classroom-wise.

Currently approximately one quarter of our students are 'out of zone' and for us to maintain our numbers into the future, (which we believe will be healthy for our school) a similar number of out of zoners will be needed on an ongoing basis.

The BOT has set our maximum preferred roll (in December) at 200, with our enrolment scheme designed to help keep our December roll below that.

Again, interested persons are urged to seek clarification with the principal for any zoning related matters.

BUS RULES / PROCEDURES

4 February 2014

TO: PARENTS, PUPILS, DRIVERS, and BUS CONTRACTORS

This annual memo is an attempt to clarify and standardise rules/procedures relating to the safe and orderly transportation of Hunterville School pupils on our four Ministry of Education funded daily bus runs, and is issued to all families at the start of each year as well as to enrolments during the year.

1. Government School transport policy provides assistance for pupils who live more than 3.2km from their nearest school, and also (under the above distance criteria) pupils who attend a school that is not their nearest school, but who make their own way to the midpoint between the school being attended and the next closest school.
2. Pupils not fitting the above criteria are officially 'ineligible' and are only transported with the approval of the bus contractor by private arrangement.
3. The school as well as the bus contractor and driver is responsible for the safety of pupils whilst being transported by bus.
4. Bus monitors are appointed by the school and have specific duties, namely:
 - a) Assist the driver by seeing that pupils observe safety rules (see below).
 - b) Report misbehaviour to the Principal.
 - c) Assist with the orderly assembly of pupils in the afternoon and mark off the roll.
5. Although the responsibility for disciplining pupils rests with the Principal, bus drivers are expected to assist in controlling pupils travelling on buses as follows:
 - a) If the misdemeanour is minor and isolated, warn the pupil (politely but firmly) that misconduct will not be tolerated and that further instances will be reported to the Principal.
 - b) If misbehaviour persists, report the incident to the Principal.
 - c) If there is gross misconduct or any tendency towards general disorder the driver should select a safe place and stop the bus.
The driver should then tell the pupils he/she will not proceed until order is restored. The Principal should then be informed of the incident.
 - d) In cases of repeated or gross misconduct the driver may, on subsequent days, refuse to take the pupils concerned until such time as the parents have been interviewed by the Principal and the driver has been informed that disciplinary action has been taken.
In no instance should a pupil be put off a bus during a journey as a disciplinary measure.
6. Disciplinary action for inappropriate behaviour on any school bus may include a pupil being denied transport on the bus for a period of time.
7. Bus drivers are asked to report even minor mishaps to the Principal (Eg. If a bus has to stop suddenly and a child falls out of his/her seat; a 'near miss' situation even if caused by another vehicle; etc).

8. Bus drivers are required to most definitely not allow students to be dropped off or picked up from town.
9. In the event of a break down pupils should, if deemed safe and sensible remain in the bus. When pupils must leave the bus (e.g. punctured tyre necessitating changing a wheel), they must stand clear of the bus and off the road – even over a fence in a paddock.

Where visibility is restricted senior pupils must be posted to warn other road users.

10. Other Specific Rules/Procedures for Pupils

- a) Stand well back from the bus and wait until the bus has stopped before walking towards it to get on.
- b) Before getting off the bus pupils must remain in their seat until the bus has stopped.
- c) After getting off the bus in the afternoon Hunterville School insist pupils must wait away from the bus and in full view of the driver before moving off.
DRIVERS SHOULD NOT DRIVE AWAY UNLESS DISEMBARKING PUPILS CAN BE SEEN.
- d) Those needing to cross the road after being dropped off must wait for the bus to travel 200metres (say... two power poles) before crossing the road.
- e) Stay in the same seat throughout your journey unless instructed otherwise by the driver.
- f) When sitting down pupils must sit on their bottom with their feet over the front edge of the seat. Definitely no kneeling on seats.
- g) No eating or drinking on the bus.
- h) Keep bags etc., out of the aisles.
- i) Noise to be kept to a minimum – talk quietly to those around you.
- j) Obey all requests by drivers and monitors regarding compliance of the bus rules.
- k) Be courteous and considerate to all others on the bus. Greet your driver when you get on each morning and say goodbye in the afternoon!

Stephen Lewis
(Bus Controller and Principal)

Most Recent ERO Report November 2010

The school's most recent Education Review Office visit was in September 2010. The following is an unedited copy of the heart of the written report received in November 2010 which includes all 'Areas of Strength' and 'Areas for Development and Review'

Huntermville School's Curriculum

How effectively does the curriculum of Huntermville School promote student learning - engagement, progress and achievement?

School context and self review

Huntermville School caters for students from the town and surrounding rural district. The roll has remained stable at around 190 students over the last ten years.

Since the June 2007 ERO review, teachers have participated in significant professional learning and development relating to assessment practices. They report that as a result, their teaching approaches have changed considerably.

An effective culture of critical reflection and ongoing self review supports improvement.

Trustees, school leaders and teachers are well placed to sustain improvements and promote progress and achievement.

Areas of strength

Curriculum design

The curriculum effectively responds to community aspirations. Vision, values and priorities defined through community consultation are encapsulated by the school motto 'Quality learning Quality environment'. A comprehensive curriculum document successfully guides teaching practice. Clearly stated expectations for teaching, learning and assessment contribute to consistent school-wide practice.

Classrooms illustrate the focus on high quality outcomes for students. Relationships and interactions between students and with teachers are positive and affirming. A strong focus on learning is evident and students' success is valued and celebrated through vibrant displays of student work. Resources and learning prompts aid understanding. Students are motivated, enthusiastic and willingly contribute during lessons.

Teachers assist students to actively engage in programmes that are relevant, purposeful and authentic. Learning time is maximised.

Student progress and achievement

Teachers collect a comprehensive range of student achievement information across all levels of the school. This demonstrates that most students achieve at or above expected levels in reading, writing and numeracy. Māori students show similar patterns of achievement to their non-Māori peers.

Reliable information is appropriately used by trustees and school leaders to:

monitor the effectiveness of learning and teaching in relation to the school's strategic priorities; identify patterns of achievement, and set targets and plans for improvement; resource and support interventions, including the use of teacher aides, to address the

needs of specific students; report annually to the iwi, community and parents on the achievement of Māori students; and recognise and respond to the professional development needs of teachers.

Teachers effectively use assessment information to:

diagnose the specific learning needs of students, identify target groups, and closely monitor students' developing understanding and progress; set a clear purpose for learning and criteria for success and draw links between previous understanding and current concepts; group students for high quality, small-group instruction, with opportunities for students to practice learning independently in focused activities; develop learning-focused partnerships with parents and whānau; and report accurately and clearly to parents about students' achievement in relation to expected levels.

Students are empowered to:

be strongly involved in the assessment of their progress and achievement; take responsibility for their learning, manage themselves and eagerly participate in lessons.

Capability and sustainability

Trustees, school leaders and teachers successfully review and evaluate the effectiveness of teaching and learning using student achievement information and the views of parents and students. Decisions are soundly based on evidence.

Professional development for teachers has strongly and positively impacted on practices. Collaborative learning, sharing of good practice, observation and focused feedback assists teachers to consistently apply new strategies to improve learning.

New Zealand Curriculum and teacher capability to report against the National Standards has benefited from such focused professional development.

School leaders prioritise improving student achievement through consistent high quality teaching practice. They are well informed and confidently provide clear direction within a supportive environment.

Areas for development and review

Trustees, school leaders and teachers should continue to use effective self-review processes to ensure that the curriculum and teaching practices maintain positive outcomes for students.

Future Action

ERO is likely to carry out the next review within four to five years.

***The above is not the full ERO report. It is the unedited heart of the report.
Copies of the full report are available from the school office or online at
www.ero.govt.nz***

CALENDAR OF EVENTS 2014

The dates below allow for *two* Teacher Only Days during the year, where school will be closed.
Dates below are subject to confirmation or change

February	3: Day one of term one
	6: Waitangi Day – school closed
	20: Family BBQ and ICT/ipad information evening
	25: Junior (1.00pm) and senior (4.30pm) swimming sports
March	TBC: Autumn Harvest Festival – pumpkins / sunflowers
	14: Taihape interschool swimming sports, Taihape
	20: Cluster swimming sports, Marton
	27: Junior athletic sports (Year 1 – 3)
	28: Senior athletic sports (Year 4 – 8)
April	4: Interschool athletics at Hunterville
	15: ‘Peter Pan’ production matinee and evening
	16: ‘Peter Pan’ production matinee and evening
	17: Final day of term one
	25: Anzac Day – school reps at Anzac dawn service
