Dear Parents / Caregivers / Whanau

8 May – Rātu te waru o Haratua 2018

Tena koutou katoa – Greetings to all families and friends of Huntermville School.

The school is just buzzing with action with (hopefully!) the final dress rehearsal over and everyone all geared up for the real thing! I want to again say how grateful and appreciative we are to all the parents, grandparents, whanau and friends of our school who have been working behind the scenes and in the hall on the huge range of tasks involved in making this whole production business a success. THANK YOU most sincerely – from all here at school!

- **Just to clarify again! – All our students are involved in all four shows, and we ask for the children to be at school in their classrooms, around 6pm for the evening performances on next Thursday May 10, (matinee @ 12md) and Friday May 11.**
- The shows will be finished by approximately 9pm at the latest each night and please could parents/whanau go to classrooms to pick their children up after the shows.
- On the Friday morning, of course, if your children are very tired after the Thursday night show, and it suits your whanau, please just have the children at school by 11am in time to prepare for the Friday matinee at 12.30pm.
- Buses will run at their normal times, and teachers will be in class for the morning as usual.
- Please let us know if there are any hassles, or if we can help with transport, etc.

Also, please check the Production Note which went home yesterday for further updates.

Junior Area Building Project Update:

The work to upgrade the junior classrooms and develop a new junior toilet block is now much advanced and will be ongoing through the next few weeks. Room One may have to have a little time in another room at some stage, to allow for work on the connecting breakout space, and the teachers will prepare the children well beforehand.

ROBOTICS – starting Tuesday 22 May @ 3.30 til 5pm

Then every robotics will be every Tuesday from then on from 3.30 to 5pm.

Grant Collie is looking to run the session on 22 May for current and interested students and parents to see the new game and begin to design robots. New students please talk with Iris or Phoenix to find out what robotics is all about. Could last year's team members please confirm to Iris or Phoenix if you are still keen to be in robotics.

Staffroom Welcome!

Just a reminder that our parents, whanau, and friends of the school are all welcome in our staffroom! Please help yourselves to drinks and cookies whenever it suits. !

Piewarmer reminder: please – no piewarmer this Thursday or Friday – it's too tricky to sort with two shows both days. Thank you.

Super Sunday Netball

All our Saturday morning netballers in A1 & 2 were lucky enough to get to attend two netball games on Sunday at the Arena in Palmerston North. The Pulse won against the Magic in the first game, and during the second game, our girls were on TV several times, once holding up the school banner! A big ups to you all for your great advertising for us! Thanks to Casey McDougall and co for organising this very exciting trip for the girls.

Class Learning Intentions:

All classes will be focusing on teaching reading, writing, maths, theme and sport lessons, sandwiched between production rehearsals and shows.

Value of the Week:

Quality Uniform! Do we wear the correct uniform items, with plain, black shorts or track pants with no labels, black or maroon hair ties – (not ribbons), short black or white socks? Is our uniform clean and tidy? Do we put anything we take off into our bags?

Phone Book deliveries – A huge thank you to the parents, whanau and students who have worked on this fundraiser. I will let you know what the profits are as soon as I hear from the Yellow Pages company. Your time, effort, fuel and driving are all so appreciated!

Year 5/6 Rippa Rugby

This year I have had so many keen players that I intend entering two teams in the Marton (Tuesday 22nd) and Wanganui (Tuesday 5 June) tournaments. Teams will be finalised by the start of next week with Raymond McDougall taking one of the teams again this year.

Please find the Netball draw below for this Saturday, 12th May. If you need help with transport please give me a ring or let your coach know, as they may be able to help organise this. Please note Hunterville J1 (Junior 1) is coached by Felicity Keenan, and Hunterville J2 is Kelly Lane's team. Your coach will let you know the time to arrive for a warm up before your game.

For those new to netball, the courts are located at Centennial Park, Totara Street, in Marton.

NO FOOTBALL THIS WEEK DUE TO PRODUCTION.

Next week (May 17th) all games are in Taihape. – we will leave straight after school. Please let me know if your child requires transport and I will organise this for you. Also let me know if your player is unavailable.

Upcoming events – Central Football (Manawatu) run a school holiday program during the first week of the school holidays (Mon 9th – Fri 13th July). This is football skills and games from 9am – 3pm daily and is run in Palmerston North. The cost is usually \$35 per day or \$120 for the week. If I have enough players interested, I will look into taking the school van over each day so as our players can get there and back easily. My boys will be going so it is no trouble for me to take the van and take more children. If you are interested (no commitment needed at this stage) – please let me know. You can like Central Football Manawatu on facebook or their website www.centralfootball.co.nz for more information.

Please do not hesitate to contact me if you have any questions or feedback.
